## DENR-PENRO KIDAPAWAN CONDUCT CLEAN UP DRIVE IN COLLABORATION OF 19<sup>TH</sup> ANNIVERSARY OF ECOLOGICAL SOLID WASTE AND MANAGEMENT ACT 2000 (R.A. 9003)

In collaboration of the 19th Anniversary of Ecological Solid Waste and Management Act of 2000 (R.A. 9003) & Zero Waste Month, DENR-PENRO Kidapawan conducts a cleanup drive of roads, canals and drainage within and outside the compound of DENR. The cleanup started exactly 8:30 in the morning as the employees were split into smaller group and sent to work in their specified areas. The Management Section

Division members were assigned to clean up the surrounding near the hallway, parking area, stairways and pathways leading to the hostel building. Technical Services Division members were assigned at the roads, canals and drainage system. Most of the employees brought with them cleaning materials such as wire brushes, brooms, trash bags, and dustpans.

At around 11:30 in the morning, the activity ended with the impressive turn-out, a remarkable transformation all brought about by the participation of all employees involved for progress and change of the place. This activity had reminded the personnel of their responsibility to take care and reflects concern about their environment. It was successful that all employees reflected that they had done something about the benefits of the agency and the community as a whole.
